Community Tobacco Environment

Interviewer to read: "In the following questions I'll be asking about where you have smoked or where you have seen smokers smoke in the last year. If you haven't been to these areas in the last year and can not report on your experience then you can say you are unsure."

1. Which statement best describes the situation with smoking in acute care hospitals in your community (or hospital nearest to your community that community members would use?) (check one only)

- Smokers smoke anywhere in the hospital
- Smokers smoke only in certain areas (designated indoor smoking areas)
- Smokers only smoke outside
- There is no smoking anywhere on premises indoor or outdoor
- Don't know/ Unsure (*do not read this option out, only mark this option if the person states they are unsure*)

2. Which statement best describes the situation with smoking in trains/buses and train/bus stations in your community, (or the nearest transport to your community that community members would use?) (check one only):

- Smokers smoke anywhere on trains/buses and at the station
- Smokers smoke only in certain areas of trains or buses (designated smoking carriages or sections)
- Smokers do not smoke anywhere on trains or buses but do smoke in the stations
- Smokers do not smoke anywhere on trains or buses or at the stations
- Don't know/ Unsure (*do not read this option out, only mark this option if the person states they are unsure*)

3. Which statement best describes the situation with smoking in out-of-home eating venues such as restaurants, cafes or bars in your community? (check one only):

- Smokers smoke anywhere in eating venues
- Smokers smoke only in certain areas (designated indoor smoking areas)
- Smokers only smoke outside
- There is no smoking anywhere on premises indoor or outdoor
- Don't know/ Unsure (*do not read this option out, only mark this option if the person states they are unsure*)

4. Which of the following best describes smoking in your workplace? (check one only)

- Smoking is allowed in any indoor area
- Smoking is not allowed in any indoor area
- Smoking is allowed in some indoor areas
- There are no rules about smoking inside your workplace
- Not applicable (e.g. Do not work/ do not have a workplace)
