How to link yourself to a Grant
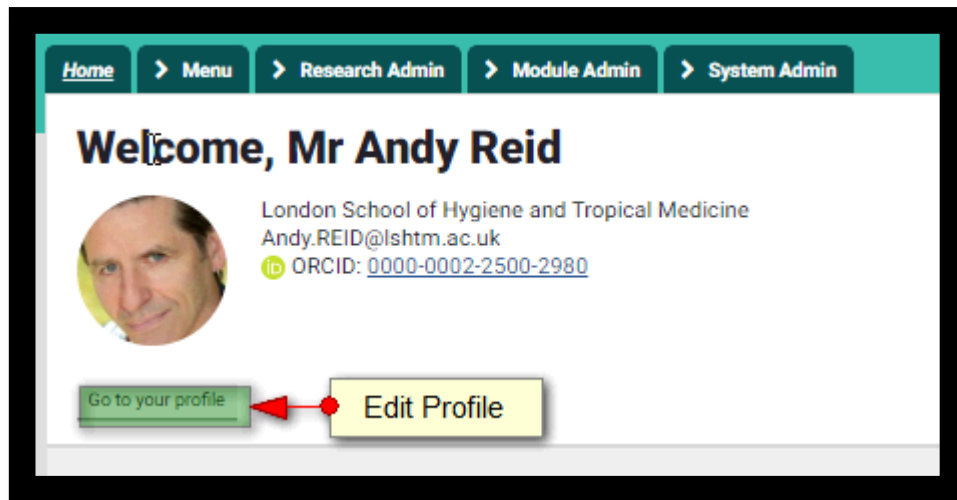

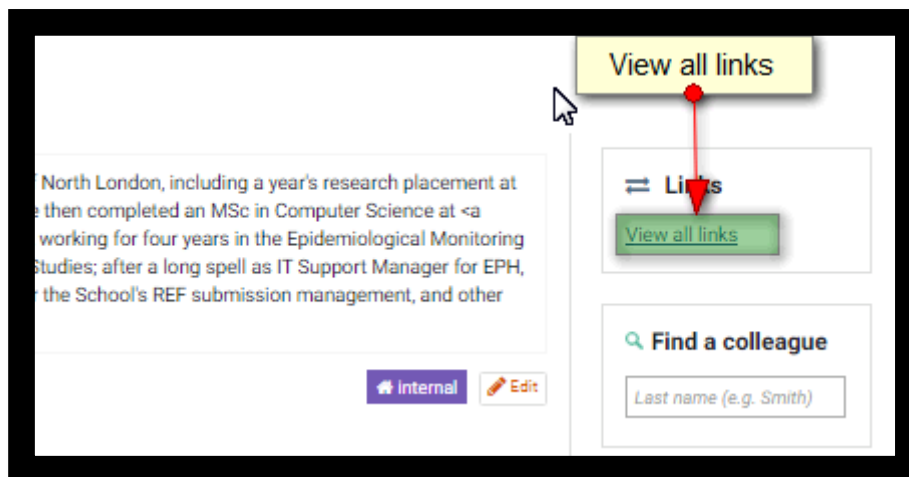

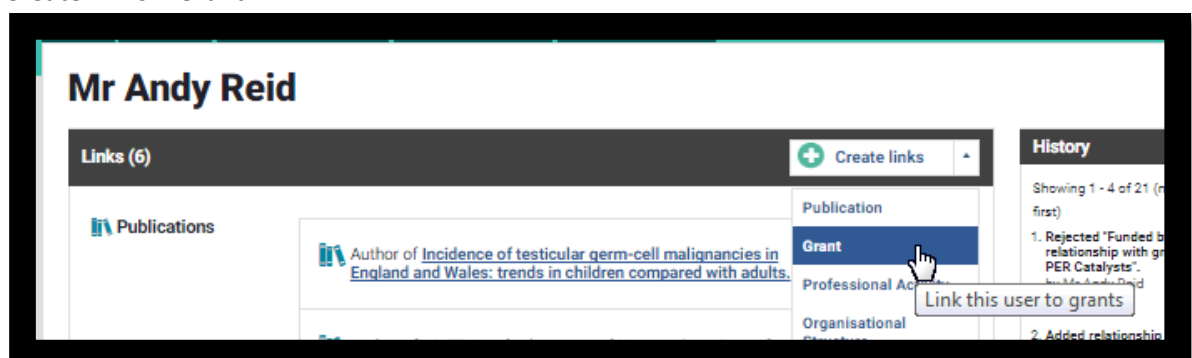

1. Go to your profile edit page

2. View all links

3. Create Links – Grant…

4. Select link type and search by keywords or grant codes

Add relationships to this user

< Return to the previous page

Create relationships for Mr Andy Reid

What sort of relationship do you want to create?

Link to: Grant ▼

Link type: Co-investigator of ▼   ← Select link type

Perhaps you would like to link to one of these...

No suggestions returned.

Or would you like to run a search?

Search text: menstrual   [arch]   ← Search keywords, grant codes, funders, but not PIs

This is a full-text search. Please use spaces to separate terms.
Any element of the chosen category that matches ALL of the terms will be listed.
