Correction to: Grip strength from midlife as an indicator of later-life brain health and cognition: evidence from a British birth cohort

Quentin Dercon^{1*}, Jennifer M. Nicholas², Sarah-Naomi James³, Jonathan M. Schott⁴ and Marcus Richards³

Correction to: *BMC Geriatr* 21, 475 (2021)

<https://doi.org/10.1186/s12877-021-02411-7>

After publication of this article [1], the authors noticed 3 empty cells in Table 1, whereas they should read “< 0.001”.

The original article [1] has been updated.
