About LSHTM Research Online

LSHTM Research Online is freely accessible online database of research conducted by staff from London School of Hygiene & Tropical Medicine. Where possible we will provide access to the full text of research articles, where we are unable to provide the full text we will hold the bibliographical information and provide links to where the full text can be accessed. While each full text item remains the property of the copyright holder, reuse of the material held in LSHTM Research Online is permitted for private and non commercial study.
